- The diagram illustrates the layout of a 3 5/8 x 5 1/8 Euro Flap (A1). It features a large, light blue, downward-pointing triangular shape representing the flap. The top edge of the flap is a thick, light blue horizontal bar. A dashed green line follows the inner contour of the flap, defining the safe area margin. A solid red line follows the outer contour of the flap, defining the finished size. A solid black line follows the inner contour of the top horizontal bar, defining the art size. The legend in the upper left corner explains these lines: a dashed green line for the safe area margin, a light blue shaded area for the production buffer, a solid red line for the finished size, and a solid black line for the art size.
